## MEDIA ADVISORY

“UFOs, Extraterrestrials and the Future of Humanity”

**WHAT:** The largest UFO conference on the east coast, the Mutual UFO Network (MUFON) Symposium hosts the leading minds in UFO research to vigorously test the assertion "that we are not alone." Experts in science, defense, government, aerospace, and psychology present not only science-based evidence but compelling reasons to pursue the truth for the benefit of humanity. Eyewitnesses will share their encounters with beings "not of this world." MUFON is the largest civilian-based UFO research organization in the world.

**WHEN:** Friday, July 27, 2:00-3:00 pm

**WHERE:** Crowne Plaza Hotel, 2349 Marlton Pike West, Cherry Hill, NJ 08002

**WHO:** MUFON executive director, Jan C. Harzan welcomes the media  
Each presenter gives a brief summary of his/her talk. Photo opportunities available

- Luis Elizondo, former director AATIP- “The Pentagon UFO Program”
- John Brandenburg, plasma physicist- “A Report from Mars”
- Lynne D. Kitei, M.D. educator- “The Phoenix Lights Inspire our Future Generation”
